

# Protocols for visiting teams to Highfield during Covid-19 post September 20th 2021

---

## A. On entry to Highfield

1. On arrival the visiting team's Compliance Officer must make contact with Highfield's Event Compliance Officer to;
  - a. confirm that all team members and coaching staff have successfully completed a signed health declaration
  - b. direct the visitors to the dressing rooms and warm up area to be used, hand sanitiser station(s), etc.
2. The club operates a driving one-way system.
  - a. All visiting team members, coaches, team officials and supporters must use the carpark at the far side of the main pitch to the left of the Astro pitch.
3. All visiting team players, coaches, team officials and supporters are reminded;
  - a. to wear a mask if they go indoors to use any of the club's facilities and where they are in close contact with others
  - b. to maintain a 2 meter distancing where practicable is recommended.

## B. Facilities available on site

One of the dressing room doors will be clearly marked as **VISITING TEAM** and this can be used by players as a changing room, shower and toilet facilities .

The Club Bar is open to all before, during and post-match.

## C. Post-match checklist for visiting team

1. The visiting team should remove all their items from the pitch and changing room. Nothing should remain on site which belongs to your team post the fixture.
2. All used water bottles and other materials (tape etc.) used in the course of the match should also be collected and put into a bag and taken away for disposal.
