

Monday night saw a return to floodlight rugby at Woodleigh Park in the first Senior Seconds League game of the season.

Sundays Well brought a very determined and strong side on the night and we knew after a few minutes we were not going to have it all our own way.

We registered our first score on the 21<sup>st</sup> minute with a try by Rudy Pelloux which brought an international flavour to proceedings, as you might have guessed, he is French.

In the 40<sup>th</sup> minute the Well went ahead 7pts to 5 with a fine score.

Shortly thereafter in the 45<sup>th</sup> minute we retained the lead with an excellent pick and drive try under the posts by Michael Dillane, converted by Sean McCarthy. The score remained at 12-7 until the 56<sup>th</sup> minute, when George French drove over the line to increase the lead to 17-7 and conversion to follow by McCarthy 19-7.

The Well came back to 19-12 but the Field pulled away again with tries by Eoin Keating(66 mins) and Jamie Cassidy(70 mins) to leave the score 31-12. However the Well had the final score of the game with another converted try to make the final result 31-19.

This first 2nds league game of the season had an International aspect as the Highfield team lined out with Rudy Pelloux(France) and Alejandro Jorva(Spain), both of whom wore the Red,Green and Black with pride and contributed valiantly to the result.
