

What a day!!! Over 80 players, six pitches, three clubs, lots of coaches and refs, a tonne of supporters and a world record attempt for a game of bulldog. Our blitz versus Bandon RFC and Dolphin RFC was so much fun that we kept playing and playing until we were burned outand that was just parents and supporters! Thank you to our guests for being so friendly. Thank you to Youth Committee Chairperson, Ruth Richards, for organising such a great event and most importantly thank you to all our players (our Highfielders) for representing our club so well. Not only were their skills amazing, but the respect shown to opponents before, during and after each match was a sight to behold and be so proud of!
