

U18s Girls 10 a-side CIT 23rd Sept.

Our first outing of the season with our U18 girls was the 10 aside blitz in CIT. We opened with a very challenging match against a strong Listowel side but our girls kept their heads up and finished well.

The second match after a well earned breather was against Skibbereen. Two well worked tries against one from Skibereen saw the girls achieve a well deserved first victory of the season.

With one team on the programme having pulled out at the last minute Munster Branch had the excellent idea of merging us with Fethard "Fethar-Field!" for a full 15s match against Skibbereen. Despite a hard fought match we werent on the winning side this time. Overall there was some excellent rucking and set pieces from our girls and some great attitude. Well done ladies and thanks to Munster Branch for an excellent day!

Pitch 3	U18
