

Highfield U16 and U18 Girls, join forces with Youghal, Kinsale and Midleton this season, forming EAST CORK.

Our U16 and U18 girls are combining with Youghal, Kinsale and Midleton this year to form "**East Cork**".

The four clubs gathered and were hosted by Highfield on a wet Saturday afternoon. Mallow U18 also attended for a friendly against our "East Cork" selection.

The attendance was high and the spirits were too. The match was shaded by a strong and physical Mallow but the skills of the East Cork team were excellent and it all promises well for a very good season ahead.

The girls also meet for a combined training session on the 5th October with the league kicking off on the 12th October.

Good luck to all for a really great season!
