

U8 Update March 2017. Our West Cork Secret

Last Saturday saw our U8 players along with their six coaches head west for a day of fun and games with a bit of mud thrown in for good measure. There was lots of challenges.....

Searching for clues.

Working well together in teams to "milk the cow"... they were all winners.

Having fun in the sun....making a giant jigsaw.

There was even time for a spot of skiing!

We even managed some carting

Then it was time for the mud!

Some of our U8's making a bit of a splash!

"Hanging around"

Look out here I come!

Drying out in the sun before pizza!

A very good day was had by all. Now back to the rugby.....
